The Federal Antimonopoly Service has permitted Sberbank structures to bring their share at OJSC Krasnaya Polyana up to almost 95%.

Now the state bank may become virtually the only owner of the company, building the sports and tourism complex Mountain Carousel in Sochi.

The list of the current largest shareholders of Krasnaya Polyana includes Sberbank structures, which own 50.03% of the company, as well the Russneft President Mikhail Gutseriyev. He has purchased 42% of company shares from ex-Chairman of the Board of Northern Caucasus Resorts Ahmed Bilalov.

Ex-Chairman of the Board of OJSC Northern Caucasus Resorts and ex-VP of the Olympic Committee Ahmed Bilalov, deprived of all offices, has been living in the UK for the month already.

The audit of Bilalov activities started after Russian President Vladimir Putin had criticized the process of construction of the Olympic facility «Gorky Gorod» in Sochi, Yugopolis reports.
